

Let's pray for mothers.

Someone who
teaches me

Someone who
gives good hugs

Someone who
Feeds me

Someone who
makes me laugh

Someone who
encourages me

Someone who I can talk
to when I am worried

Someone who
asks me how I am

Mother's come in all shapes and sizes.
Who are the people in your life who
love and nurture you?

Write their names on the
petals and decorate them
as you pray for them.
